### This Weekend

Is our church full of hypocrites?  
*Acts 5 | Pastor Matt*

The store of Ananias and Sapphira in Acts 5 is a tragic example of how much God hates hypocrisy in the church. They lied not to man but to God and reaped the consequences. We ought to be very careful about our hypocrisy in the church. It's okay to not be okay.

But a man named Ananias, with his wife Sapphira, sold a piece of property, and with his wife's knowledge he kept back for himself some of the proceeds and brought only a part of it and laid it at the apostles' feet.  
**Acts 5:1-2 ESV**

### Important News

Yet for us there is but one God, the Father, from whom all things came and for whom we live; and there is but one Lord, Jesus Christ, through whom all things came and through whom we live.

### Women's Retreat

On this weekend retreat our hope is to create space for each woman to hear from God, to experience His love and fall more in love with Him, to learn to love ourselves well and to become more rooted in loving community where we are known, accepted and love others well. We also want to spend some time exploring our past personal pain, trauma and grief so that we can move toward healing.
